

Prospectus 2025-2026

BIR RAGHAB MORAN GOVERNMENT MODEL COLLEGE, DOOMDOOMA

Established in 2020

Rupai Siding, Tinsukia- 786153, Assam, India

VISION AND MISSION

Vision

To provide affordable, quality and inclusive education for all students. To discover hidden talents, stress on all-round development of students by providing an enabling environment for realizing their potential and sculpting them into future leaders, entrepreneurs and above all, a socially productive citizen and a good human being.

Mission

- To strive for quality and inclusive education
- To transform the college into an institution of educational excellence
- To provide an environment for holistic development of students with special emphasis on social empowerment and economic self-sufficiency.
- To impart knowledge and learning in a manner that helps transform students into good human beings with a sense of social responsibility.
- To foster a learning community in which the diverse values, goals, and learning styles of all students are recognized and supported.
- To motivate our students towards professional/vocational endeavours and serve them with a comfortable platform where they can explore their talents in their respective fields of interest
- To inculcate values of discipline, hard-work, team-spirit, scientific tempers and to develop critical thinkers.
- Entering into alliances with industry and academic partners to enhance the college's educational as well as vocational and career opportunities
- Encouraging students for participation in academic along with extracurricular activities

Bir Raghav Moran

In the annals of medieval Assam history, among all the notable personalities, the name of Bir Raghav Moran is always remembered for his courage, bravery, leadership, and sacrifices for the sake of the Assamese proletariats. He played a very significant role in the Moamaria Rebellion during the reign of Swargadeo Laksmi Singha which was a spontaneous outburst of simmering discontentment against the exploitative nature of the Ahom regime. In various circumstances, Raghav Moran alias Raghav Neog himself faced a number of discriminations and hardships from the authoritarian Ahom administration. Kirtichandra Barbarua's physical torture and assault not only made him angry but also the entire Moamaria sect was thereby insulted. Besides, the religious policies adopted by the contemporary Ahom rulers posed a great challenge to the Moamarias. It made the entire Moamaria sect discontent and there grew a sense of hatred and dissension against the Ahom rule.

In this regard, Raghav Neog along with his friends and followers, remaining at the forefront organized and united the Moamarias against the mighty Ahom rulers to take revenge with a view to establish the Moamarias in a legitimate position in the feudal Ahom society. Subsequently, the Ahom rulers were bound to bow down to them which ultimately gave birth to the Mutook Kingdom. From this point of view, Bir Raghav Moran who used to be a popular leader from the Moran Community among the Moamarias, is still a hero not only in the minds of the Moran community and Vaishnavite Moamaria sect but also among all those who are looked down upon as downtrodden and ignorant in the entire Assamese Society. He remains in the hearts and minds of Assamese people as one the most remarkable cultural and historic luminaries of Assamese socio-cultural life.

COLLEGE PROFILE

Bir Raghab Moran Government Model College, Doomdooma was established by the Government of Assam on 7th March, 2020. With the central aim of improving access, quality, and fostering equity in the higher education scenario of Assam, the Government of Assam, in consonance with the centrally sponsored scheme of Model Degree Colleges, set about this enterprising journey of creating educational institutions catering to the higher education needs of underserved regions. Based on a nationwide survey of Gross Enrollment Ratio (GER) or Gross Enrollment Index (GEI), Educationally Backward Districts (EBDs) were identified—districts where GER remained below the national average. Tinsukia is one among the 12 EBDs identified in Assam. Our college stands today as a successful manifestation of this spirited initiative of the Government of Assam.

In the more local context, our college has been instrumental in assuaging the severely disproportionate student-to-higher-education-institution ratio prevailing in the Doomdooma region. It is noteworthy that the name of the college, “Bir Raghab Moran Government Model College”, holds immense cultural and historical significance for the inhabitants of this region and Assam at large. In essence, the college name serves as a tribute to and immortalizes Bir Raghab Moran, a historic pride and son of the soil from the Moran community—an eminent cultural figure and historical luminary of Assamese socio-cultural life.

The cultural and demographic landscape of the region has deeply influenced the formation of our institutional vision, mission, and ideals. Culturally, the area features a rich intermix of ethnicities and traditions, inspiring our commitment to inclusive education and upholding the spirit of unity in diversity. This location also offers the institution a vibrant platform to showcase and nurture indigenous cultural knowledge among its students. Given the industrial predominance of the tea sector and a growing inclination towards entrepreneurship among students, the college prioritizes offering scientific, technical, and skill-based training that can equip youth with the capabilities to realize their dreams.

Although the college’s initial rationale was to rectify the imbalance in higher education access, our vision today extends beyond that goal. Alongside fulfilling the fundamental higher education needs of this region, our grand aspiration is to materialize academic excellence and build a state-of-the-art institution that will attract meritorious students from across the state. We aim to reverse the prevailing trend of educational brain drain and instead establish the college as a hub of academic vitality and opportunity.

Despite being a recently established institution, it is a matter of great pride that regular official UG classes began on 21st December 2020, with a high rate of student enrollment. While the classes are presently conducted within a temporary arrangement at Doomdooma College, efforts by the Government of Assam are underway to establish a permanent campus with state-of-the-art infrastructure, including spacious, tech-enabled classrooms, a modern library, and ample recreational and co-curricular facilities. Bir Raghab Moran Government Model College began its academic journey with a Three-Year Degree Programme (Honours) in Arts and a Three-Year Degree Programme (Non-Honours) in Arts, both under the Choice-Based Credit System (CBCS) affiliated to Dibrugarh University. Despite challenges posed by the COVID-19 second wave, the college swiftly adapted by organizing virtual classes and sustaining a vibrant culture of webinars, online competitions, and student-led programmes—a testament to our institutional resilience.

Now, in alignment with the National Education Policy (NEP) 2020, the college has adopted the Four-Year Undergraduate Programme (FYUGP) as introduced by Dibrugarh University, further expanding the horizon of academic opportunity and flexibility for students. The college currently houses 8 departments: Education, Assamese, English, Sociology, History, Political Science, Economics, and Mathematics. The faculty comprises individuals with strong academic backgrounds, teaching experience, and research contributions, as well as diverse skills including leadership, cultural engagement, music, and artistic excellence.

Our students are enterprising and driven, and even as the first cohort, they have exhibited remarkable enthusiasm, talent, and a deep commitment to learning—despite most of them coming from economically modest backgrounds. Their passion and untapped potential are central to our growth as an institution. We, the collective community of students, faculty, and local stakeholders, are committed to building this college into an institution of excellence, fostering educational access, socio-economic empowerment, and holistic development. Our shared vision is to transform this region into an educational hub, ensuring that the youth of Doomdooma and beyond receive not just education, but also the skills and opportunities for self-sufficiency and dignified living.

Principal's Message

Dr. Amorjit Saikia

Principal, Bir Raghav Moran Government

Model College, Doomdoooma

Bir Raghav Moran Government Model College, Doomdoooma, a novel educational institution of higher education under the initiative of the Government of Assam, affiliated to Dibrugarh University.

Bir Raghav Moran Government Model College, Doomdoooma, in essence, is an accomplishment of the government's vision of enhancing quality, accessibility, and equity in the higher education scenario of Assam. Tinsukia, falling within the parameters of an educationally underperforming district of the state of Assam, urgently was in need of an additional higher education institution to cater to the educational needs of the local student population. Our college is a very timely and necessary step in this direction.

The true purpose and rationale of this newly established college can be understood better through the region's socio-cultural and educational background story. Doomdoooma boasts of a culturally rich and diverse social fabric and a prolific scene of industrial and entrepreneurial activities; but at the same time the region also suffers from the perennial issues of socio-economic backwardness and most importantly, the dearth of higher education opportunities for eligible and aspiring students. Under the circumstances, the establishment of our college has been nothing short of a blessing for the local student population and the society, in general.

The first academic session (2020–21) of the college formally commenced from **21st December 2020**, and now here we are, steadily progressing toward the sixth **academic session (2025–26)**. The journey so far, although brief, has been indeed fruitful. Come what may, our staff along with students have been very resilient. More than half of the time period of our maiden academic session had to be run from our homes due to the Covid-induced lockdown. We have not shied away from our duties. Our teachers have provided regular, interactive virtual classes to students and even managed quite successfully, the conduction of extra-curricular activities (contests, celebration of events, webinars etc). We had encountered a healthy admission rate and student turnout in the first ever round of admissions and with great confidence, we expect an equally exuberant student response in this round of admissions in the ongoing session (2024–25). Within a short span of time, we have discovered diverse talents and skillsets among our students and their enthusiasm and willingness towards learning and education remains unmatched.

While education is our primary focus, given the underprivileged socio-economic position of the families that our students mostly belong to, we shall also strive to provide them an enabling environment for their positive transformation into social capital such that, they can live free from economic insecurity and function as productive members of the society. Therefore, along with academic training, we try to motivate our students into professional endeavours and serve them with a comfortable platform where they can explore their talents in their respective fields of interest. To this end, our agenda for the near future incorporates collaborative engagements with government/non-government organizations, industries surrounding the theme of vocational empowerment of students.

Widely known as the tea city, Doomdooma prides itself on a sprawling tea industry and an aesthetic atmosphere of tea plantation to an extent that the occupational mainstay of the local population is majorly within this sector. The youth here, in this sense, is deemed rather naturally inclined towards the tea sector. We perceive this as an untapped reserve of entrepreneurial potential. Bearing this in mind, we aspire to provide a facilitative platform aiming at inculcating the right scientific and technical knowhow and skill-based training to the youth. Futuristically, such a step would be conducive for the students to gainfully and effectively engage in the niche tea market of the region. The vision is to professionally sculpt them in a manner so that, they can uplift the indigenous tea sector to the heights of international market efficiency and competition.

From a broader perspective, our institution's vision also incorporates the promotion of a participatory model of all-round educational and social development of the region, involving stakeholders from all quarters with the intention of eventually, infusing a scientific temperament in and widening the mindsets and worldviews of the youth and by extension, the society as a whole.

As the founding head of this new institution, I bear a profound sense of obligation towards the youth and the society of this region. The entire Bir Raghav Moran Government Model College family, as a matter of fact, collectively shares the dream of transforming the region to a blossoming educational hub and resolve to spare no effort to ensure the youth here, a brighter future not only in terms of education but also, in terms of socio-economic empowerment and self-sufficiency.

In this context, it is a moment of great institutional pride to note that the college has now adopted the Four-Year Undergraduate Programme (FYUGP) as per the National Education Policy (NEP) 2020, under the academic framework of Dibrugarh University, thereby expanding academic opportunities and flexibility for our students.

Dr. Pronita Neog
Vice-Principal, Bir Raghav Moran Government Model College, Doomdooma

Bir Raghav Moran Government Model College, Doomdooma, was established under the Government of Assam's visionary initiative to expand quality higher education in underserved regions. Since our inception in 2020, we have been committed to providing accessible, inclusive, and transformative education to the youth of Tinsukia District and surrounding areas.

Despite early challenges, including the pandemic, our college has grown steadily with a focus on academic excellence, socio-economic upliftment, and skill development. We aim to empower students not only through education but also by creating opportunities for vocational training and industry engagement.

Our adoption of the Four-Year Undergraduate Programme under NEP 2020 marks a significant step towards broader academic horizons and student-centric learning. Together with our dedicated faculty and vibrant student parliament, we look forward to shaping a future grounded in knowledge, innovation, and inclusive growth.

Dr. Pranjal Talukdar
IQAC Coordinator, Bir Raghav Moran Government Model College, Doomdooma

The Internal Quality Assurance Cell (IQAC) of *Bir Raghav Moran Government Model College, Doomdooma* is dedicated to fostering a culture of academic excellence, transparency, and continuous institutional improvement. Under the guidance of the IQAC Coordinator and further supervision of Principal, the cell ensures the development and application of quality benchmarks in curricular, co-curricular, and administrative domains.

The IQAC encourages participatory governance, promotes innovation in teaching-learning practices, and strengthens the feedback mechanisms essential for institutional development. Through regular assessment, collaboration, and strategic planning, the IQAC strives to align the college's goals with the broader objectives of higher education in India.

This prospectus reflects the institution's commitment to quality, inclusivity, and student empowerment, values that are continually upheld and monitored by the IQAC.

Faculty Members of the Bir Raghav Moran Government Model College, Doomdooma and Dr. Sanjay Kr. Maurya (fifth from the right on the standing row), Librarian with Dr. Amorjit Saikia (centre), Principal.

Department of Sociology

The Department is committed to nurturing socially aware students with a critical understanding of societal issues. Our Four-Year Undergraduate Programme offers a strong foundation in the historical development of sociology, the diverse and evolving nature of social issues in Indian society, and the theoretical and scientific approaches that define the discipline.

Students are trained to develop analytical skills that help them explore socio-political, economic, religious, and cultural realities from multiple perspectives—moving beyond surface-level understanding. To support this, our teaching goes beyond traditional lectures. We actively involve students in assignments, presentations, group discussions, and field-based projects to strengthen both their academic knowledge and real-world insight.

We are proud to share that, in a short time, many of our students have excelled not only academically, but also in creative arts, sports, and social initiatives. As a result, the Department sees a growing number of enrolments each year. Our vibrant team of faculty members, with diverse research interests and teaching experience, makes the Department a dynamic and enriching academic space within the college.

We warmly welcome all interested students to join our Department and embark on a journey to explore the world through fresh, interpretative perspectives.

Akhyai Jyoti Mahanta
Head of the Department, Sociology

Department of History

The Department of History at *Bir Raghav Moran Government Model College* has recorded consistent improvement in its academic performance since its inception. Our Department is deeply committed to nurturing intellectual curiosity and academic excellence among students.

We actively encourage students to pursue higher studies in reputed institutions, including Central Universities across India. The Department not only focuses on academic content but also aims to cultivate in students the qualities of diligence, critical thinking, and practical orientation—preparing them to be effective and engaged individuals in society.

We warmly welcome you to the Department of History, where learning history is not just about the past, but about understanding the present and shaping the future. Join us in exploring the fascinating world of history and its many dimensions.

Dr. Kakali Das

Head of the Department, History

Department of English

The Department of English at *Bir Raghav Moran Government Model College* is a dynamic centre for literary and cultural inquiry, committed to academic excellence and intellectual rigor. Grounded in both classical and contemporary traditions, our curriculum traverses diverse literary landscapes, critical theories, and interdisciplinary discourses. We seek to cultivate analytical thinkers, articulate communicators, and socially conscious individuals through an engagement with literature that transcends borders and epochs.

Our faculty members, driven by a passion for pedagogy and research, strive to create a scholarly environment where students can explore the power of language, question established norms, and forge meaningful connections between texts and lived realities. The Department regularly organises lectures, seminars, and creative forums that stimulate discourse and nurture talent.

We envision our graduates not merely as recipients of knowledge but as contributors to a more thoughtful, empathetic, and inclusive world.

Dr. Shrestha Bharadwaj
Assistant Professor & Head
Department of English

Department of Political Science

It is my pleasure to welcome you to the Department of Political Science at *Bir Raghav Moran Government Model College, Doomdoooma*. Our Department is dedicated to fostering critical thinking, active citizenship, and a comprehensive understanding of political and social realities.

We strive to create an intellectually stimulating environment where students are encouraged to engage with diverse perspectives, question assumptions, and develop a nuanced appreciation of democratic processes and governance. Beyond the classroom, we promote participation in discussions, seminars, and extracurricular activities that help students grow into responsible, informed, and empathetic citizens.

We invite you to embark on an enriching academic journey with us—one that inspires inquiry, cultivates leadership, and empowers you to contribute meaningfully to society.

Nabanita Das

Head of the Department, Political Science

Department of Economics

It gives me immense pleasure to welcome you to the Department of Economics at *Bir Raghav Moran Government Model College, Doomdooma*. The Department offers Undergraduate (UG) courses in Economics with a strong commitment to imparting quality education and fostering analytical and critical thinking skills among students.

Our curriculum, designed by the affiliating university, equips learners with both theoretical insights and practical tools to understand and address contemporary economic issues. We aim to prepare students not just for academic success, but also for meaningful engagement with the world of policy, business, and research.

Currently, the Department is supported by a team of three dedicated faculty members who bring a rich blend of academic excellence and teaching experience. We strive to maintain an engaging and supportive learning environment that encourages students to explore the diverse dimensions of economics and to pursue higher education and career opportunities in related fields.

We offer the Economics Honours course to students from all three streams—Arts, Science, and Commerce—making it accessible to a wide range of learners with varied academic backgrounds. Additionally, students have the option to choose Mathematics as one of their subjects, which is particularly beneficial for those pursuing analytically intensive careers or coming from a science background.

We warmly invite aspiring students to join our Department and become part of an enriching academic journey that opens doors to critical inquiry, intellectual growth, and professional success.

Dr. Aktar Hussain

Head of the Department, Economics

Bir Raghav Moran Government Model College, Doomdooma

Department of Assamese

It gives me immense pleasure to welcome you to the Department of Assamese at *Bir Raghav Moran Government Model College, Doomdooa*. Our Department is committed to promoting the rich literary and cultural heritage of Assam while nurturing critical thinking, creativity, and academic excellence among students.

We offer a curriculum that thoughtfully balances traditional Assamese literature with contemporary studies, aiming to provide students with a strong foundation in the language, its diverse literary expressions, and cultural significance.

Our dedicated faculty members continuously strive to create a supportive and intellectually vibrant environment that fosters holistic development. In addition to classroom learning, we actively engage students through seminars, workshops, and cultural activities to enhance their academic and creative experiences.

We warmly invite aspiring learners to join us in this academic journey and contribute meaningfully to the study, promotion, and preservation of Assamese language and literature.

Nipom Kalita

Head of the Department, Assamese

Bir Raghav Moran Government Model College, Doomdooa

Department of Mathematics

The Department of Mathematics at *Bir Raghav Moran Government Model College, Doomdoo* stands committed to academic rigor, logical precision, and the pursuit of analytical excellence. While we have yet to welcome our first cohort of students, the Department is fully prepared to offer a strong and engaging undergraduate programme grounded in both theoretical and applied mathematics.

Mathematics is not just a subject—it is a fundamental language of science, technology, and rational inquiry. Our aim is to nurture a new generation of learners who can apply mathematical thinking across diverse disciplines and solve real-world problems with clarity and precision.

We look forward to building a vibrant academic community through quality teaching, interactive learning, and a passion for discovery. We invite aspiring students to explore the world of Mathematics and join us in laying the foundation of a strong and forward-looking department.

Campus Facilities and Support Services

The *Student Parliament* at Bir Raghav Moran Government Model College, Doomdooma serves as a vital platform for democratic participation, student leadership, and institutional dialogue. Complementing this space is the *Common Room*—a dedicated area for informal discussions, and peer interaction.

Office of the Programme Officer – NSS Unit

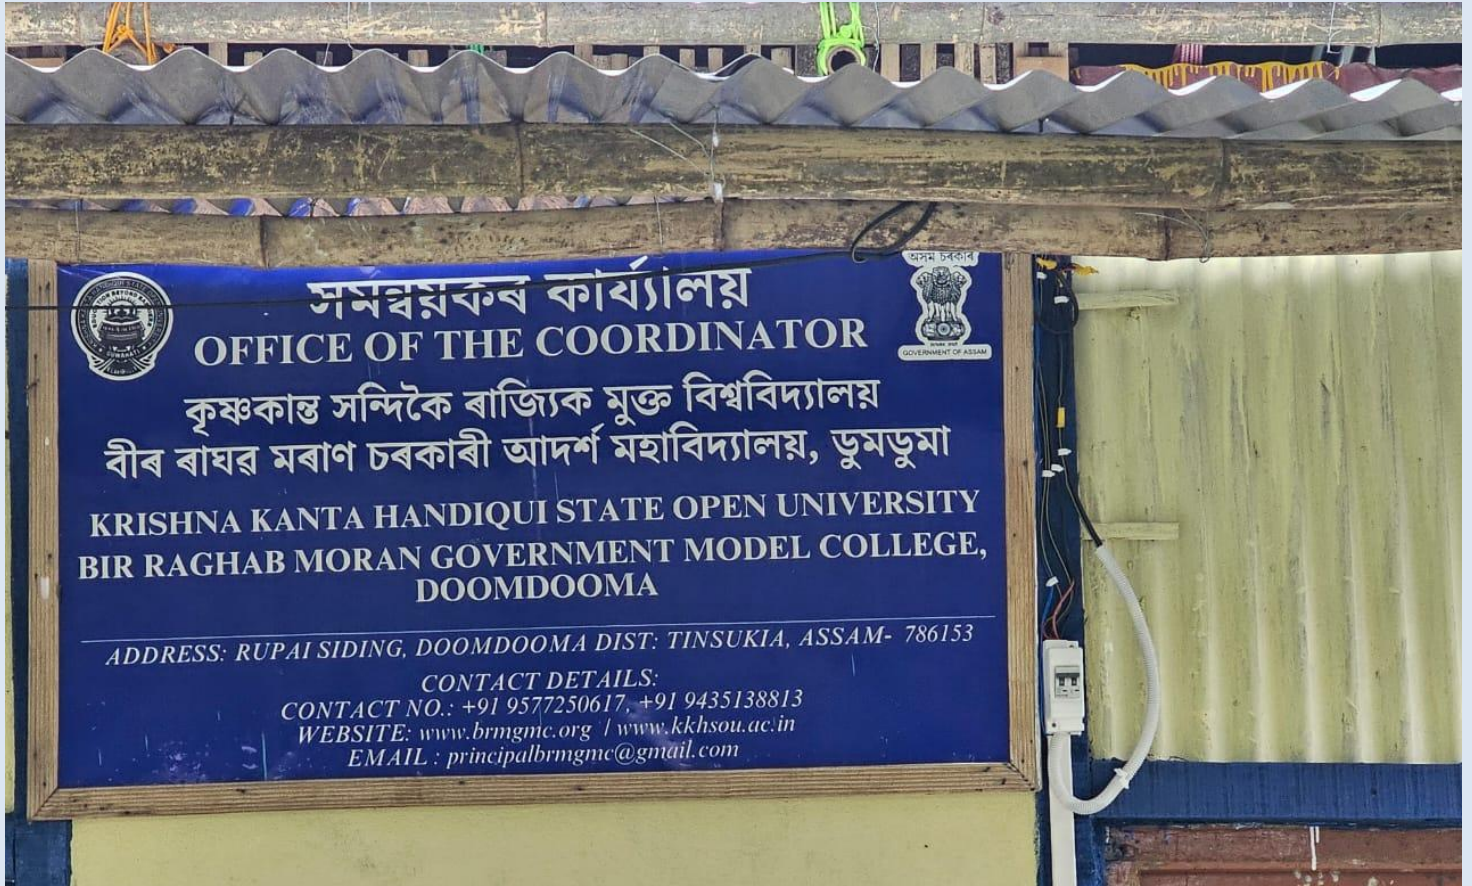

The *National Service Scheme (NSS) Unit* of Bir Raghav Moran Government Model College operates under the leadership of the Programme Officer and aims to instill values of social responsibility, community engagement, and national service among students. Through outreach programmes, awareness campaigns, and volunteer activities, the NSS Unit fosters leadership, discipline, and a deep sense of civic duty in the student community.

Smart Conference Room

The **Conference Room** at *Bir Raghav Moran Government Model College* is equipped with smart technology to facilitate academic presentations, meetings, seminars, and interactive learning sessions. With features such as a smart board, projection systems, and high-speed connectivity, the room serves as a hub for intellectual exchange, administrative planning, and student-faculty collaboration in a tech-enabled environment.

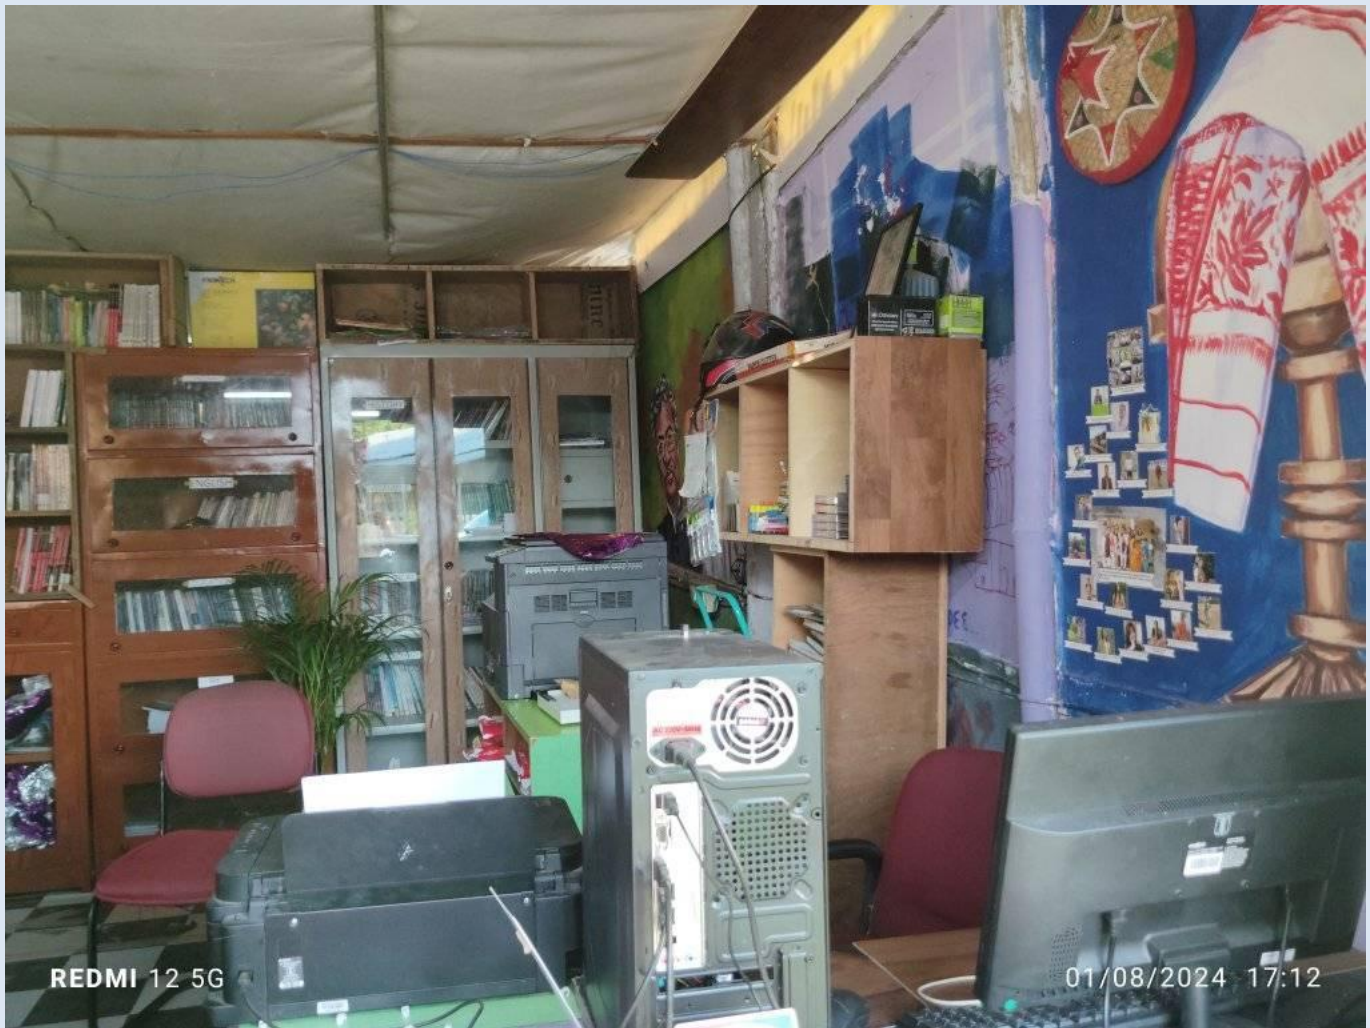

Krishna Kanta Handiqui State Open University (KKHSOU) Study Centre (Office of the Coordinator)

The KKHSOU Study Centre at *Bir Raghab Moran Government Model College, Doomdoooma* provides access to flexible and inclusive higher education for learners unable to pursue traditional full-time courses. As a recognized centre under Krishna Kanta Handiqui State Open University, the unit facilitates distance learning programmes designed to promote academic advancement, vocational skill development, and lifelong learning opportunities.

With support from the Office of the Coordinator, the study centre offers guidance, counselling, and administrative services to enrolled students. It serves as a vital educational bridge for those seeking to enhance their qualifications while balancing work, family, or other commitments.

Student Facilitation Centre
(Under the “Learn and Earn” Project)

The *Student Facilitation Centre* at *Bir Raghav Moran Government Model College, Doomdooma* is an innovative, student-run initiative established under the “*Learn and Earn*” project. It aims to provide essential academic and administrative support services to fellow students while promoting experiential learning, responsibility, and financial empowerment.

Managed by trained student volunteers, the centre assists in tasks such as form fill-ups, ID generation, document printing, and information dissemination. This peer-support model not only enhances service accessibility on campus but also equips participating students with valuable workplace and communication skills.

The initiative reflects the college’s commitment to inclusive, hands-on education that prepares students for real-world roles while contributing meaningfully to the campus community.

College Canteen – *Rupai Akhol*

The college canteen, *Rupai Akhol*, is more than just a space for refreshments—it is a vibrant symbol of our institution's commitment to community engagement and social responsibility. Operated by a dedicated team of women from a local Self-Help Group (SHG), the canteen reinforces our vision of inclusive growth by empowering women through livelihood opportunities.

Serving affordable, hygienic, and home-style meals in a warm, student-friendly environment, *Rupai Akhol* has become a valued gathering place on campus. It stands as a model of how academic institutions can support grassroots initiatives while enriching campus life.
